

PX-S1000

Privia

UNIQUELY COMPACT

SLIM. STYLISH. SMART. – Taking their cue from this slogan, the new basic models in the PX-S series are extremely compact digital pianos with hammer action and 88 keys. The PX-S1000 has much to offer: the new Smart Scaled Hammer Action Keyboard ensures a highly authentic key feel. Equipped with the new loudspeaker system and numerous features such as Bluetooth audio or Chordana Play for piano app functions, the PX-S1000 is an ultimate instrument for the home and when on the road.
