- Nine-step lesson function (Yamaha Education Suite)
- Recording function
- AUX IN jack for connecting an external audio source
- Master EQ / Ultra Wide Stereo
- Duo Mode
- Compact and portable design
- Battery operation (AAx6)

Features

The better an instrument sounds, the more it inspires us

Yamaha has a proud history of manufacturing just about every kind of musical instrument. When it comes to reproducing the sound of these instruments in a keyboard, the results are detailed and high-quality. The PSR-E263 features a comprehensive library of 400 instrument Voices that will allow you to enjoy playing any musical genre.

Real-time backing band tracks

130 auto accompaniment Styles provide real-time band backing tracks based on the chords you play.

Compact & Portable

The compact, light-weight design allows you to take your instrument with you wherever you go. Battery power means you can set up and play anywhere without the need to plug it in!

On-board lessons support learning to play

3-step lesson - Listening, Timing and Waiting modes are available for each hand, or both hands together. Lessons use the on-board Songs to help build your skills. Then, use the simple recording function to capture and listen to your performance.

Features

1: The model melody/chords of the part you selected will sound. Listen to it carefully and remember it well. 2: Play the notes with the correct timing. Even if you play wrong notes, the correct notes shown in the display will sound. 3: Play the correct notes shown on the display. The Song pauses until you play the right note, and playback tempo will change to match the speed at which you are playing.

Download the Song Book to read the music for the built-in Songs

The Song Book includes the musical scores of the built-in Songs.

Adjust the sound with the Effects & Master EQ

9 types of Reverb effect adds the ambience to the sound, as if you are playing in a large hall, on stage...etc.. Chorus makes the Voice sound richer, warmer and more spacious. Master EQ give the best possible sound for different reproduction systems (built-in speakers, headphones, or an external speaker system)

Play with a partner

Duo mode allows two people to play together on the same instrument by creating two middle C notes. Enjoy playing the piano with friends and family!

Play along with your favorite songs

Connect your portable music player to hear your favorite music through the instrument's speakers. Play along and you feel like you've joined the band!
